

San Joaquin Valley Unified Air Pollution Control District

PERMIT UNIT: C-904-24-1

11/30/2002

EXPIRATION DATE:

EQUIPMENT DESCRIPTION:

UNCONFINED ABRASIVE BLASTING OPERATION USING A SANDSTORM
MODEL CW8D30 SANDBLASTER

Permit Unit Requirements

1. The blasting operations shall be carried out in a manner to prevent any nuisances. [CCR 17, Section 92210]]
2. No air contaminant shall be discharged into the atmosphere for a period or periods aggregating more than three minutes in any one hour which is dark or darker than Ringelmann 2 or equivalent to 40 % opacity. [CCR 17, Section 92200]
3. Only Air Resources Board approved sand shall be used for sand blasting operations. [CCR 17, Section 92500]
4. The sand employed for blasting purposes shall not be reused under any circumstances. [CCR 17, Section 92500]
5. Unconfined abrasive blasting shall only be operated at this stationary source and along the adjoining pipeline right-of-way. [CCR 17, 92500]
6. Permittee shall notify the District Compliance Division of each right-of-way location at which operation is located in excess of 24 hours. Such notification shall be made no later than 48 hours after starting operation at the new location. [District Rule 4102]
7. Permittee shall maintain accurate records of hours of operation at each location. These records shall be retained for at least five years and shall be made available to the District upon request. [District Rule 4102]
8. Except for emergency operations, unconfined abrasive blasting shall not be operated within 1,000 feet of any K-12 grade school boundary, unless the public and student notification requirements of CH&SC Section 42301.6 have been satisfied. [District Rule 4102]
